IMOU SENSE Rex VT Pro

5MP H.265 Wi-Fi Pan & Tilt Camera

With 5MP/3K live monitoring and panoramic 0-355° pan & 0-90° tilt feature, Rex VT Pro ensures every corner of your home completely covered. It supports two-way video calls with a 2.4-inch screen. Two buttons on the side of the screen allow you to place and hang up video calls. Human/Pet detection quickly finds events in images and immediately sends a notification to you. With built-in siren, Rex VT Pro actively keeps unwelcome visitors away from what you care about. Privacy Mode helps protect your personal privacy when you are home, and Smart Tracking function lets the camera follow moving objects when it detects motion. With 2000mAh built-in battery, it can continue working for 60 minutes after power unplug.
